Mob. : 08989535758

I did B.Sc. in 1986 from Punjab University Chandigarh and M.Sc. in 2003 in Sustainable Development from Sikkim Manipal University. I have joined SFRI in 2011 as Technical Assistant., since then working in the Forest Ecology & Environment branch. I had associated in two projects, one of forest resource assessment of NTFPS, entitled “Forest resource assessment survey in four People’s Protected Areas (PPAs) i.e. Jabalpur, Satna, East Chhindwara and Anuppur forest divisions of Madhya Pradesh” and the other one is EIA of thermal power plant entitled “Environmental impact assessment on aquatic life/water supply and water quality of down-stream due to reduce flow especially in lean period in Sanjay Gandhi Thermal Power Plant”. In addition, I am associated in various EIA projects of the division.

Specialization : Forest Ecology, Sustainable development
